As we close on this year and enter into 2020, I would like to thank all the families for their donations this past November (food drive) and December (Wishing Tree). I am proud to work at a center where we strive to guide our children not only in academic and developmental growth, but in citizenship and good character. Our sincerest thanks to all of the families who helped us in participating in this program, we hope that our efforts helped make someone's holiday season a little brighter, while helping our children learn the value in giving. I am so pleased we ended the year on such a positive note, and I look forward to what the New Year has to bring for

Spotlight on Ms. Soraya

Soraya Rodriguez joined the team this last month as our new on-site cook. She was born in Santa Barbara, California and raised in Jalisco, Mexico. This is where she attended the Universidad de Guadalajara and received her degree in accounting. Years later she focused on raising her four children, while working as a schoolyard supervisor at a local Anaheim school. She is excited to join the team as she is able to combine her knowledge in cooking and passion with working with children.
