July 2020

Happy 4th of July!

We are definitely kicking off the Summer with a POP! As we play and learn our way through Summer please remember to provide your child with appropriate clothing, shoes, etc. for the hot Summer weather. Children may bring sunscreen to school to be applied by teachers, just make sure to complete a sunscreen waiver and leave it with your classroom teacher.

Flip flops are not suggested, due to the children running/tripping, but sandals with a back are great for the heat! We encourage the children to hydrate throughout the day and of course during extreme weather we will have indoor play during recess in order to beat the heat! If you have any questions please feel free to check in at the office!

Monthly Curriculum

This month the children will be focusing on:

Party in the USA— with Independence day coming we will learn all about this special place we call home, and enjoy firework crafts, map activities, and end the week with a good old outdoor picnic celebration!

European Exploration— fine art has its place even in the youngest minds, children will spend time learning several artists, their techniques, and even work on their own masterpieces based on famous paintings.

The Jungles of South America— bugs, lizards, and jungle mammals will be the topic of this week. Classrooms will review bugs as well as introduce new reptiles and amphibians, at the end of the week we will have our annual big buddy/little buddy tent side story time!

Polynesian Paradise—a week full of Hawaiian fun! Children will learn about the customs, food, dress, and music of the Hawaiian people, we will end our week with a special tropical friendship fruit salad.

African Safari —discussing with the children all about The Savanna and wild animals that live there. The children will end the week with a Safari Scavenger Hunt!
