'Falling' in Love with Fall Learning

September has just flown by! We are looking forward to another month full of Fall inspired activities, hopefully with a little cooler weather to go along with it! Due to the Covid regulations placed, our Halloween festivities will be adjusted this year. We will have a Halloween Pizza Party in each classroom with fun activities and a dance party. We will also be having a Pumpkin Contest where each class will decorate a pumpkin and on the week of Oct. 26th-30th we will display them out in the front of the office for you to vote on. The winning class will have a ice cream party!

Casca R 10/22
Samiyah W 10/31

Creepy Crawly Curriculum

This month the children will be focusing on:

Nocturnal Animals– children will be excited to learn all about mice, bats,

raccoons, owls, and opossums' and their unique characteristics.

Pumpkins– categorizing, sorting, carving, and counting are just a few of the plans we have for our pumpkins, not to mention baking them into a pie!

Creepy Crawly Halloween Fun– this week classrooms will learn about everything from spiders and webs, to skeletons and bones, as well as a few fun Halloween crafts along the way.

Healthy Nutrition– each food group will be covered and discussed over the course of the week.

Special Days to Remember

World Teachers Day 5th
Fire Prevention Day 9th
Columbus Day 8th
Pumpkin Contest
Oct. 26th -30th
Halloween Pizza Party
Oct. 30th
Halloween 31st

Spotlight On Ms. Yesenia

Hello! My name is Yesenia Hernandez and I am twenty-four years old. I graduated from California State University, Fullerton in May 2020. I have a bachelors degree in Liberal Studies with an emphasis on Elementary teaching. I have worked in a preschool setting for over 5 years and continue to learn something new everyday. When

I am not teaching, I enjoy watching movies and drinking coffee.

For Everyone's Safety

As flu season is upon us, we want to remind you that we are doing everything to keep our facility clean as well as reminding the children to wash their hands with soap and water. We would like to also mention that if your child is exhibiting a fever, cough, runny nose, and/or a sore throat please keep them home and monitor them, and please seek medical attention if needed. Please note that your child may only return to school when symptoms have fully cleared or a doctors note has been given to return. Please look in your COVID-19 Parent Handbook for more symptoms to watch out for. If you have any questions please feel free to contact the office. Thank you everyone for your understanding and cooperation. Stay Healthy!
