May's Many Birthdays

As the weather has warmed up, and we jump into our Spring planting, you will see seeds sprouting and veggies growing all around OC Kids! With the warm weather coming, we want to remind parents to dress your children in appropriate clothing, shoes, etc. Flip flops are not suggested, due to the children running/tripping, but sandals with back straps are great for the heat! If you have any questions please feel free to check in with the office !

Monthly Curriculum

This month the children will be focusing on:

Around the World— we will travel the world and learn all about different places, cultures and their way of living.

Bugs, Bees & Butterflies— this week, teachers will go over the parts of an insect, and the different life cycles of several bugs! We will even be bringing in live cocoons for the children to witness their metamorphosis.

Life in a Pond— after spending time discussing insects we will move on to turtles and frogs, their habitat and differing life cycles of pond animals.

Feathered Friends— the children will learn about different kinds of birds, their body parts, and even the life cycle of a chick.

Underwater Animals— during this week classrooms will focus on all kinds of sea life; fish, turtles, dolphins, whales, and even beach birds.

Spot Light on Ms. Diana!!

Hi my name is Diana Garcia. I was born and raised in Garden Grove. I graduated from Cypress College with an Associate's Degree in Liberal Arts. I am currently a senior at Cal State Fullerton majoring in Child and Adolescent studies with emphasis in Early Childhood Education. After graduation, it is my goal to get multi-subject teaching credential and teach 3rd grade. I enjoy working with young children. I am looking forward to a fun rest of the school year here at OC Kids!

Teacher Appreciation

May 6th-May 10th is Teacher Appreciation week! If you are happy with the work your child's Teacher has been doing, please let them know! We are so proud of all the hard work and effort our teachers put in all year long, but a meaningful word from you would mean so much to them!

**HAPPY TEACHER
APPRECIATION OC KIDS STAFF!**
