As we close on this year and enter into 2024, I would like to thank all the families for joining us for our Winter Recital. We know all the teachers and children had a blast and we hope you all enjoyed it as well!. Since the weather will still be chilly, if we can make sure your child always has a jacket with their name in it at school. The weather is quite unpredictable and we don't want anyone to miss their play time! We look forward to what the New Year has to bring for all of us here at OC Kids Preschool; staff, children, and families!

Chilly Curriculum

This month the children will be focusing on:

Celebrating the Four Season— classrooms will go over all of the seasons with a review at the end of the week.

Polar & Arctic Animals— while we are discussing winter teachers will introduce their classrooms to all different kinds of arctic and polar animals, their habitats, and similarities and difference between them.

Citizenship & Friendship— classrooms will learn about the contributions of Dr. Martin Luther King Jr. as well as discuss what makes a good citizen.

Colors of the Rainbow- teachers will go over primary and secondary colors and how they are made, as well as warm and cool colors.

Healthy Teeth and Healthy Hearts— a week devoted to educating the kids on healthy habits, such as healthy eating, exercise, and hygiene habits

Spotlight on Ms. Giselle!

Hi! My name is Ms. Giselle, I have been teaching 2-3 year olds for 2 years. I am currently going to school and majoring in child development to pursue my dreams of being a High School Teacher. During my time off of teaching I enjoy going to the gym and working on my car. I also love bike rides to the beach. I look forward to a great school year at OC Kids!
